

MERRILLVILLE STORMWATER RESOURCE CENTER BLESSING

Blessed are you, Lord our God, creator of the universe and the one who cares for all people.

We thank you for your many blessings and praise you for all your works. Look on us with love, and hear our prayers today as we gather to bless this new Merrillville Stormwater Resource Center.

We ask you to look kindly on the personnel who will work here and our Merrillville community which will be serviced by this Stormwater Center. This facility is now open to serve the people. We are grateful for all who made this facility a reality.

Grant your blessings to all who work here. Let their work contribute to the good of the members of our Merrillville community.

Lord you are blessed for ever and ever. Amen
